Profile

I am a dedicated and driven student currently pursuing a Bachelor of Technology degree at Dr. A.D. Shinde College of Engineering, Gadhinglaj with a strong foundation in computer science gained from my diploma at Government Polytechnic Pune.

My passion lies in exploring the world of technology, particularly in the fields of cybersecurity and programming. I have hands-on experience and skills in Python, Java, C, and C++, which I actively leverage to solve problems and develop innovative solutions.

I am constantly seeking opportunities to enhance my knowledge and contribute to meaningful projects. My goal is to build a career where I can apply my technical expertise to secure systems and create impactful software solutions.

Experience

Cyber Security Intern   **June 2025 – Present**
Edu-versity, Bengaluru, India (Remote)

- Conducting vulnerability assessments and penetration testing using Kali Linux, Burp Suite, and Wireshark.
- Assisting in threat intelligence, malware analysis, and real-time incident response.
- Contributing to internal security policies and awareness training modules.
- Gained hands-on skills in network security, ethical hacking, and firewall configuration.
- Collaborating with cybersecurity experts on live simulations and attack mitigation.
- Enhancing skills in tools like Nmap, Metasploit, and Splunk.

Cybersecurity Trainee   **June 2024 – Present**
Edureka Learning Center, Tilakwadi, Belagavi

- Completed an 8-day Masterclass Training in Advanced Cybersecurity (Jan 2025).
- Covered advanced cybersecurity concepts, tools, and techniques.
- Gained hands-on training guided by experts from Leosias Technologies.

Computer Networking Trainee   **June 2024 – Jan 2025**
Leosias Technologies, Belagavi, Karnataka

- Masterclass training in computer networking fundamentals.
- Practical exposure to configuration, troubleshooting, and real-world applications.

Education

Shivaji University
Bachelor of Technology (B.Tech), Computer Science Engineering   July 2023 – July 2026

Government Polytechnic Pune
Diploma, Electronics and Telecommunication   June 2021 – May 2023

Yashvantrao Chavhan High School, Surute
SSC   April 2020

Certifications

- Cybersecurity – Skill India Digital Hub
- ChatGPT for Cybersecurity
- CISSP (Training)
- Ethical Hacking
- TryHackMe / Hack The Box badges
- Cybrary, IBM SkillsBuild, or LinkedIn Learning courses
- Computer Networks
- Mastercard – Cybersecurity Job Simulation
- AI Power BI
- Security and Risk Management

Skills

Core Skills

- Network Security, Information Security Principles
- Risk Assessment Management, Security Auditing Compliance (ISO 27001, NIST)
- Incident Response Handling, Threat Hunting / Threat Intelligence
- Vulnerability Assessment (e.g., using Nessus), Basic Penetration Testing

Technical Tools

- Wireshark (Network Analysis)
- Nmap (Network Scanning)
- Burp Suite (Web App Security Testing)
- Metasploit (Penetration Testing Framework)
- Kali Linux / Parrot OS
- Firewalls IDS/IPS (Snort, Suricata)
- SIEM Tools (Splunk, ELK Stack)
- GPG / OpenSSL (Cryptography Tools)

Programming / Scripting Skills

- Python – scripting, automation, and tool development
- Bash / Shell scripting – Linux system automation
- PowerShell – Windows environment automation
- SQL – database queries and SQL injection testing
- HTML JavaScript – understanding XSS, CSRF

Honors & Awards

- Best Performance Cybersecurity Lab Award
